Prevention

We invite you to register for one of these FREE VIRTUAL presentations.

TALK SAVES LIVES

Talk Saves Lives is AFSP's standardized, 45-60 minute education program that provides participants with a clear understanding of this leading cause of death, including the most up-to-date research on suicide prevention, and what they can do in their communities to save lives. Participants will learn common risk factors and warning signs associated with suicide, and how to keep themselves and others safe.

Upcoming Talk Saves Lives Virtual Presentations:

- **August 18th - 7:00 PM (MDT)** - Talk Saves Lives - [Register Here](#)
