

# Your Support Helps Save Lives

With chapters in all 50 states and D.C., AFSP is leading the fight in suicide prevention. Our mission is to save lives and bring hope to those affected by suicide. We do so by creating a culture that's smart about mental health through education and community programs, research and advocacy, and support for those affected by suicide. Thank you for your partnership and investment in our life-saving work.

**2,000**

Education programs delivered through our nationwide network of chapters

**200,000**

People connected to support through the Interactive Screening Program, available at 160+ institutions of higher education and workplace settings nationwide

**1M+**

Social media followers
