Become an Augusta Community Walk Sponsor

You can be a hero in the fight against suicide.

Today, support for mental health is needed more than ever and we are asking you to join us in the movement to prevent suicide. With your help, the Georgia Chapter will be able to maximize our mission impact by reaching and serving more people through our lifesaving programs and resources. Partner with the American Foundation for Suicide Prevention (AFSP) as an event sponsor for the **Augusta Out of the Darkness Walk** taking place on **Saturday, September 28th, 2024!** Our mission to **save lives and bring hope to those affected by suicide** would not be possible without our community engagement.

Why Support the Augusta Walk

- We have a strong and resilient community that's united in our effort to fight suicide, raise awareness, educate our communities, support those who have lost loved ones, and support those with lived experience.
- Mental health and suicide prevention are more important than ever, and we're confident that with your help, we can reach more people than ever before.
- Suicide is one of the leading causes of death for most age groups. Suicide is preventable. Mental health affects everyone, and it's going to take everyone's help to fight suicide.
- Suicide is the 11th leading cause of death in the United States, and the suicide rate continues to rise.

We need your support!

The American Foundation for Suicide Prevention (AFSP) leads the fight against suicide. The funds we raise will allow us to fund innovative research, create and implement educational programs, advocate for public policy, and support local initiatives for suicide loss survivors.

We look forward to discussing our chapter engagement opportunities and benefits with you in more detail.

Taking Action to Save Lives

Since 1987, the American Foundation for Suicide Prevention (AFSP) has grown from a grassroots network of researchers and volunteers into a national movement with chapters in all 50 states.

AFSP is also the largest private funder of suicide prevention research, and because we've built the infrastructure to deliver evidence-based programs to local communities across the country, our work impacts millions of people. We are consistently ranked one of the best charities for mental health, and we're powered by everyday heroes like you!

Through our network of 74 chapters nationwide, AFSP has made an impact in communities by developing and funding suicide prevention research, education, advocacy and loss support programs and initiatives.

Suicide was responsible for 48,183 US deaths in 2021, which is about one death every 11 minutes. The number of people who think about or attempt suicide is even higher. In 2021, an estimated 12.3 million American adults seriously thought about suicide. 3.5 million planned a suicide attempt and 1.7 million attempted suicide. Suicide affects people of all ages. **In 2021, suicide was the 11th leading cause of death in the state of Georgia overall, and the 3rd leading cause of death in those aged 10-34.**

The Georgia Chapter is actively engaged in the following programs:

- Supporting suicide loss survivors through events like International Survivors of Suicide Loss Day and programs like Healing Conversations.
- Organizing community events and programming
- Protecting our individual giving society, Circle of Hope
- Advocating for mental health through various initiatives like State Capitol Day
- Conducting prevention education workshops and trainings in schools, faith communities, workplaces and more.
- Distributing suicide loss and prevention resources for free to communities across the state
- Cultivating Research Connections to further our understanding and prevention efforts
- Supporting those at risk and individuals with lived experience.

Advancing Innovative Solutions Through Research

Founded as a research organization dedicated to exploring how to save lives, now AFSP is the largest private funder of suicide prevention research, shaping suicide prevention strategies around the world. Each year, AFSP welcomes a broad range of grant applications from a diverse group of researchers. We create optimum impact by: funding innovative new research through our research grants program, building a research community by recruiting, training, and guiding researchers, and sharing our findings with a general audience to increase understanding. Our most recent grant cycle funded 27 new research grants totaling \$9.1 million, making the organization's total current research investment more than \$32 million.

Advocating for Suicide Prevention

AFSP's Public Policy team mobilizes volunteer Field Advocates across the country at the federal, state, and local levels urging public officials to prioritize suicide prevention and mental health legislation. Our efforts this fiscal year resulted in the successful passage of six federal bills and 43 state bills centering on mental health and suicide prevention. AFSP also played a leading role in supporting the passage of the National Suicide Hotline Designation Act, which made 988 the universal three-digit phone number for the suicide prevention and mental health crisis hotline.

Educating Communities

AFSP's evidence-informed prevention education and partnership programs help inform people on what leads someone to consider suicide, how to spot warning signs and talk safely and compassionately to those they care about, connect people to help and resources, and support at-risk individuals following an attempt. Our signature education program *Talk Saves Lives: An Introduction to Suicide Prevention*, helps participants understand the health, historical and environmental factors that put individuals at risk, behaviors to look for, and how to get help for someone in a suicidal crisis. AFSP also offers a variety of programs modified to meet all aspects of the community including: veterans, LGBTQIA+, youth & young adults, seniors, BIPOC populations, workplaces and more.

Supporting Loss Survivors

Each survivor of suicide loss grieves in their own way, and on their own timeline. Connecting with others who have lost a loved one to suicide, and hearing how they have navigated the pain of that loss, is a fundamental step toward hope and healing. AFSP provides compassion and understanding to help loss survivors heal. Initiatives like our *Healing Conversations* program gives those who have lost someone to suicide the opportunity to talk with our trained volunteers, who have experienced suicide loss themselves. The goal of this connection is to help suicide loss survivors navigate this challenging journey by offering support, connection and resources. Additionally, AFSP hosts events across the country and around the world for International Survivors of Suicide Loss Day, where survivors of suicide loss come together to find connection, understanding, and hope through their shared experiences. This year, International Survivors of Suicide Loss Day is Saturday, November 23, 2024.

General Instructions

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/FormW9.

What's New

Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS is giving you this form because they
