Support for mental health is needed more than ever and we are asking you to please join us in the movement to prevent suicide.

Why You Should Support the Out of the Darkness Chicagoland Walk
- Because suicide is the 11th leading cause of death in the U.S. and rates continue to rise.
- In Illinois, it is the 3rd leading cause of death for ages 10-34 and the 6th leading cause of death for ages 35-54.
- Because mental health affects everyone.
- Because YOU can make a difference and help AFSP save lives and bring hope to those affected by suicide.
- And because, being a sponsor will show your community and your employees that your business cares about mental health and suicide prevention.

We Need Your Support
As a sponsor, you will help bring our work to local communities. You will help the AFSP Illinois Chapter maximize our mission by reaching and serving more people through our much needed lifesaving programs and resources.

Please review our sponsor levels and benefits, and reach out if you have any questions. Your consideration is appreciated and we look forward to partnering with you to save lives!

With gratitude,
