Become a Harrisburg Community Walk Sponsor

You can be a hero in the fight against suicide.

Today, support for mental health is needed more than ever and we are asking you to join us in the movement to prevent suicide. With your help, the Eastern PA Chapter will be able to maximize our mission impact by reaching and serving more people through our lifesaving programs and resources.

Why Support the Harrisburg Walk:

- We have a strong and resilient community that's united in our effort to fight suicide, raise awareness, educate our communities, support those who have lost loved ones, and support those with lived experience.
- Mental health and suicide prevention are more important than ever, and we're confident that with your help, we can reach more people than ever before.
- Suicide is one of the leading causes of death for most age groups. Suicide is preventable. Mental health affects everyone, and it's going to take everyone's help to fight suicide.
- Suicide is the 11th leading cause of death in the United States, and the suicide rate continues to rise.
- Feel free to add your state statistics, chapter impact, etc. here

We need your support!

The American Foundation for Suicide Prevention (AFSP) leads the fight against suicide. The funds we raise will allow us to fund innovative research, create and implement educational programs, advocate for public policy, and support local initiatives for suicide loss survivors.

We look forward to discussing our chapter engagement opportunities and benefits with you in more detail.

Together, we're leading the fight against suicide.

Since 1987, the American Foundation for Suicide Prevention (AFSP) has grown from a grassroots network of researchers and volunteers into a national movement with chapters in all 50 states.

AFSP is also the largest private funder of suicide prevention research, and because we've built the infrastructure to deliver evidence-based programs to local communities across the country, our work impacts millions of people. We are consistently ranked one of the best charities for mental health, and we're powered by everyday heroes like you!

Saves Lives[™] and More Than

a million people how to be

smart about mental health.

Sad programs have taught over

Advocacy

Pushing for key federal and state legislation, such as mandatory suicide prevention training for clinicians and educators, and funding for mental health resources, with the help of thousands of volunteer advocates across the country.

Support

Providing support through initiatives like Healing Conversations, which connects trained loss survivors with people whose grief is recent, and events across the country for International Survivors of Suicide Loss Day. The Interactive Screening Program, available for schools, workplaces, and other organizations, provides an anonymous way to engage with counselors, for those least likely to seek help.
