- Mental health and suicide prevention are more important than ever, and we're confident that with your help, we can reach more people than ever before.
- Suicide is one of the leading causes of death for most age groups. Suicide is preventable. Mental health affects everyone, and it's going to take everyone's help to fight suicide.
- Suicide is the 12th leading cause of death in the United States, and the suicide rate continues to rise.
- In Missouri, suicide is the 10<sup>th</sup> leading cause of death overall. Suicide is the 2<sup>nd</sup> leading cause of death for ages 10 – 34. Missouri is ranked 19<sup>th</sup> highest in suicide death rates.

## We need your support!

The American Foundation for Suicide Prevention (AFSP) leads the fight against suicide. The funds we raise will allow us to fund innovative research, create and implement educational programs, advocate for public policy, and support local initiatives for suicide loss survivors.

We look forward to discussing our chapter engagement opportunities and benefits with you in more detail.

# Together, we're leading the fight against suicide.

Since 1987, the American Foundation for Suicide Prevention (AFSP) has grown from a grassroots network of researchers and volunteers into a national movement with chapters in all 50 states.

AFSP is also the largest private funder of suicide prevention research, and because we've built the infrastructure to deliver evidence-based programs to local communities across the country, our work impacts millions of people. We are consistently ranked one of the best charities for mental health, and we're powered by everyday heroes like you!

## Research

Discovering better ways to prevent suicide through research. Findings from our studies have shaped prevention efforts around the world. Today, AFSP is the leading private funder of suicide prevention research.

## Advocacy

Pushing for key federal and state legislation, such as mandatory suicide prevention training for clinicians and educators, and funding for mental health resources, with the help of thousands of volunteer advocates across the country.

## Education

Delivering effective suicide prevention programs to schools, communities and workplaces, showing people how to recognize signs of distress and connect those suffering with help. Our Talk Saves Lives™ and More Than Sad programs have taught over a million people how to be smart about mental health.

## Support

Providing support through initiatives like Healing Conversations, which connects trained loss survivors with people whose grief is recent, and events across the country for International Survivors of Suicide Loss Day. The Interactive Screening Program, available for schools, workplaces, and other organizations, provides an anonymous way to engage with counselors, for those least likely to seek help.

# Your Support Helps Save Lives

AFSP is leading the fight in suicide prevention. Our mission is to save lives and bring hope to those affected by suicide. We do so by creating a culture that's smart about mental health through education and community programs, research, advocacy, and support for those affected by suicide. Thank you for the important work you are doing to support suicide prevention.
