Become a Cambria County Community Walk Sponsor

You can be a hero in the fight against suicide.

Today, support for mental health is needed more than ever and we are asking you to join us in the movement to prevent suicide. With your help, the Western Pennsylvania Chapter will be able to maximize our mission impact by reaching and serving more people through our lifesaving programs and resources. Partner with the American Foundation for Suicide Prevention (AFSP) as an event sponsor for the Cambria County Out of the Darkness Walk taking place on **Saturday, September 14, 2024**. Our mission to **Save Lives and Bring Hope to Those Affected by Suicide** would not be possible without community engagement.

Why Support the Cambria County Walk...

- We have a strong and resilient community that's united in our effort to fight suicide, raise awareness, educate our communities, support those who have lost loved ones, and support those with lived experience.
- Mental health and suicide prevention are more important than ever, and we're confident that with your help, we can reach more people than ever before.
- Suicide is one of the leading causes of death for most age groups. Suicide is preventable. Mental health affects everyone, and it's going to take everyone's help to fight suicide.
- Suicide is the 13th leading cause of death in Pennsylvania overall, the 3rd leading cause of death for ages 10-34, and the 4th leading cause of death for ages 35-44.

We need your support!

AFSP leads the fight against suicide. The funds we raise will allow us to fund innovative research, create and implement educational programs, advocate for public policy, and support local initiatives for suicide loss survivors.

We look forward to discussing our chapter engagement opportunities and benefits with you in more detail.

Taking Action to Save Lives

Together We Are Leading the Fight Against Suicide

Since 1987, AFSP has been working to save lives and bring hope to those affected by suicide. As the nation's leading volunteer-led organization dedicated to understanding and preventing suicide, our efforts have generated significant advancements in the fight against the 11th leading cause of death in the U.S.

AFSP is also the largest private funder of suicide prevention research, and because we've built the infrastructure to deliver evidence-based programs to local communities across the country, our work impacts millions of people. We are consistently ranked one of the best charities for mental health, and we're powered by everyday heroes like you!

Through our network of 74 chapters nationwide, AFSP has made an impact in communities by developing and funding suicide prevention research, education advocacy, and loss support programs and initiatives.

Suicide was responsible for 48,183 U.S. deaths in 2021, which is about one death every 11 minutes. The number of people who think about or attempt suicide is even higher. In 2021, an estimated 12.3 million American adults seriously thought about suicide, 3.5 million planned a suicide attempt, and 1.7 million attempted suicide. Suicide affects people of all ages. In 2021, suicide was among the top 9 leading causes of death for people ages 10-64. Suicide was the 2nd leading cause of death for people ages 10-14 and the 3rd leading cause of death for people ages 25-34.

Our Chapter is actively engaged in the following programs:

- Supporting suicide loss survivors through events like International Survivors of Suicide Loss Day and programs like Healing Conversations;
- Organizing community events and programming;
- Engaging our community members in our individual giving society, Circle of Hope;
- Advocating for mental health through various initiatives like State Capitol Day;
- Conducting prevention education workshops and trainings in schools, faith communities, workplaces, and more;
- Distributing suicide loss and prevention resources for free to communities across Western PA;
- Cultivating Research Connections to further our understanding and prevention efforts; and
- Supporting those at risk and individuals with lived experience.

Advancing Innovative Solutions Through Research

Founded as a research organization dedicated to exploring how to save lives, now AFSP is the largest private funder of suicide prevention research, shaping suicide prevention strategies around the world. Each year, AFSP welcomes a broad range of grant applications from a diverse group of researchers. We create optimum impact by: funding innovative new research through our research grant program, building a research community by recruiting, training, and guiding researchers, and sharing our findings with a general audience to increase understanding. Our most recent grant cycle funded 27 new research grants totaling \$9.1 million, making the organization's total current research investment more than \$32 million.

afsp.org/research.

Advocating for Suicide Prevention

AFSP's Public Policy team mobilizes volunteer Field Advocates across the country at the federal, state, and local levels urging public officials to prioritize suicide prevention and mental health legislation. Our efforts this fiscal year resulted in the successful passage of six federal bills and 43 state bills centering on mental health and suicide prevention. AFSP also played a leading role in supporting the passage of the National Suicide Prevention Hotline Designation Act, which made 988 the universal three-digit phone number for the suicide prevention and mental health crisis hotline.

Our annual Pennsylvania State Capital Day in Harrisburg is April 30, 2024.

Education Communities

AFSP's evidence-informed prevention education and partnership programs help inform people on what leads someone to consider suicide, how to spot warning signs and talk safely and compassionately to those they care about, connect people to help and resources, and support at-risk individuals following an attempt.

Our signature education program, Talk Saves Lives: An Introduction to Suicide Prevention, helps participants understand the health, historical, and environmental factors that put individuals at risk, behaviors to look out for, and how to get help for someone in a suicidal crisis. AFSP also offers a variety of programs modified to meet all aspects of the community, including veterans, LGBTQ+, youth and young adult, seniors, BIPOC populations, workplaces, and more.

Supporting Loss Survivors

Each survivor of suicide loss grieves in their own way, and on their own timeline. Connecting with others who have lost a loved one to suicide, and hearing how they have navigated the pain of that loss, is fundamental step toward hope and healing. AFSP provides compassion and understanding to help loss survivors heal. Initiatives like our Healing Conversations program gives those who have lost someone to suicide the opportunity to talk with our trained volunteers, who have experienced a suicide loss themselves. The goal of this connection is to help suicide loss survivors navigate this challenging journey by offering support, connection, and resources.

Additionally, AFSP hosts events across the country and around the world for International Survivors of Suicide Loss Day, where survivors of suicide loss come together to find connection, understanding, and hope through their shared experiences.

This past year, 284 events took place in 24 different countries, with 7 sites in Western PA with 150+ attendees.

This year, International Survivors of Suicide Loss Day is Saturday, November 23, 2024.

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. Also see *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.
