Prevention

Sponsor the Fordham University Campus Walk

Today, support for youth mental health is needed more than ever and we are asking you to join us in the movement to prevent suicide at our local schools and communities. With your help, the New York City Chapter will be able to maximize our mission impact by reaching and serving more people through our lifesaving programs and resources.

Why Support the Fordham University Campus Walk

Suicide is the 11th leading cause of death in the United States, and the 3rd leading cause of death amongst ages 15-24. A 2022 [Harris Poll](#) revealed that 75% of adults in the U.S. believe it is more important than ever to make suicide prevention a national priority. Your support will help bring [our work](#) to our schools and community, as well as show your customers and employees that you care about mental health and preventing suicide.

Join Us in the Fight Against Suicide

To recognize your support, we have developed a variety of options to elevate your brand awareness and align your business with a good cause! For information about sponsor levels and benefits, please see the enclosed **Sponsor Benefits** and **Sponsor Agreement**. *We are happy to work with you to meet your specific sponsorship needs.*

Thank you for your consideration. We look forward to partnering with you to save lives!
