

Jingle Bell Run Event Day Details

Coventry Elementary
200 Owen David Blvd
Yorktown, VA 23693
Saturday, December 4th
10:00 am

While this won't be 100% our traditional Jingle Bell Run event, our team is hosting this in-person gathering to help bring us one-step closer to getting back to jingling as we did before. Another amazing JA family is also hosting one in Richmond!

Event Day Details:

- When you enter the park, drive all the way to the back of the park to the very last parking lot near the soccer fields. Once you park, we will be at Shelters 4 & 5 next to the playground area.
- This Jingle Bell Run will be UNTIMED. It is a 5K, but you can run or walk.
- Every participant will receive a medal at the finish line. The racecourse through the park is stroller friendly and has pretty forest and lake views.
- Dogs are welcome. We even have some dog bandanas for the pups!
- Every registered participant also receives a t-shirt. If you registered by November 17, your shirts will be coming directly to you in the mail. If you registered after that date, we will have t-shirts at the event.
- This event is very festive, so feel free to break out your holiday wear and have some fun! We will have jingle bells available to tie on your shoes and will have a human and pet costume contest!
- A “Kid’s Reindeer Dash” price has been added to the registration site if you have little ones who want to participate. www.jbr.org/virginia
- We will have a kid’s craft area for the little ones to make a Jingle Bell necklace for the race.

- If you can't join us in person, but still want to be a part of our team, you can register and walk wherever you are (or just support us from your couch). You will still receive a t-shirt and medal.
- You can plan to arrive by 10:00 am. We will have some treats, kids crafting, t-shirt pick up, and short reindeer dash before the official 5K starts.
- [View the course map HERE](#).
- From now until Tuesday, November 30, you can save \$5 on your registration when using discount code GIVE! www.jbr.org/virginia
- For additional questions please contact Bree Fredrickson at breefred@cox.net
