

Delivering Cures For Blood Cancers

For patients with blood cancers like leukemia and lymphoma, and other life-threatening diseases, a cure exists.

We are a community of donors, volunteers, health care professionals and researchers who deliver cures by helping patients get the life-saving blood stem cell transplant they need. Our passion to save lives drives us to help more patients survive each year.

Patients Depend On Us

- Every three minutes someone is diagnosed with a blood cancer.
- 70 percent of patients do not have a fully matched donor in their family. They depend on Be The Match®.
- Every dollar we raise helps more patients afford transplant, adds potential marrow donors to the registry and funds our life-saving research.

BE THE MATCH IS THE WORLD'S LEADING NONPROFIT ORGANIZATION FOCUSED ON **SAVING LIVES THROUGH BLOOD STEM CELL TRANSPLANTATION**

Lives

In 2019, we impacted 6,553 lives through transplants and Be The Match BioTherapies® services.

We've facilitated more than 100,000 transplants since 1987.

More than **100,000** transplants since 1987

Patient Support

We provide one-on-one support to patients and their families. We offer the resources and guidance they need before, during and after transplant.

We provide patient assistance. \$3.9 million was provided in 2019 to 2,473 patients to help ease the financial burden of uninsured costs associated with treatment.

\$3.9 million in patient assistance to **2,473 families**

Research and Education

We conduct research that has already saved and improved lives. In 2019, more than 200 research studies were underway through our research program, CIBMTR®. These studies continue to help more patients get the transplant they need and improve transplant outcomes.

We provide comprehensive information, research and resources for health care professionals, which helps them provide optimal care for their patients before, during and after transplant.

200 research studies underway

Engaging the Public

We enlist the support of thousands of individuals whose compassion and generosity help save lives.

We grow and manage the world's largest and most diverse registry. In 2019, we added 305,000 new registry members. We have more than 22 million registry members and 300,000 umbilical cord blood units on the Be The Match Registry®, and access to 35 million potential donors and 783,000 umbilical cord blood units worldwide.

In 2019, 17,140 contributors gave \$13.8 million, and volunteers donated more than 94,000 hours—a value of \$2.3 million.

305,000 new potential donors added to the Be The Match Registry, including **33%** with diverse ancestry
