If your donor is writing a check, have them make it out to Be The Match Foundation with your name in the memo line. If your donor is giving you cash, please get a Cashier's Check or Money Order.

Please [complete this form](#) and mail it to:

Our awesome team will deposit the check when it gets to our office. As long as your name and/or page name is listed on the form, they will be sure to allocate the funds to your Stream The Match page.

Because of mailing and processing times, please allow about two weeks for those offline donations to be reflected on your fundraising page.
