

NMDPSM Streamers Saving Lives talking points

Encourage your audience to join you

- Join me to save lives and find cures!
- I'm helping NMDP find cures and save lives—and you can, too!
- Join me and NMDP to create a world where every patient receives the life-saving cell therapy they need. Because everyone deserves another chance—especially when a cure is within reach.
- What if I told you that you could save lives and cure blood cancer and other diseases?
- Support my fundraiser for patients
- Support me with a donation today
- Help me reach my fundraising goal! Every dollar you give goes to patients and families to overcome financial barriers before, during and after blood stem cell transplant.
- Your gift helps me reach my fundraising goal and goes directly to patients and families facing financial barriers related to the costly blood stem cell transplant journey.
- Your gift goes a long way
- Every dollar makes a difference!
- Every dollar you give goes to patients and families to overcome financial barriers before, during and after blood stem cell transplant.

How fundraising helps save lives

Fund a future donor

- \$150 covers the costs to add a potential life-saving donor to the NMDP RegistrySM
- \$750 covers the costs to add 5 potential life-saving donors to the NMDP Registry
- \$1,500 covers the costs to add 10 potential life-saving donors to the NMDP Registry

Help patients go the distance

- \$200 covers 1 month of transportation to/from the transplant center
- \$600 covers 3 months of transportation to/from the transplant center

Provide meals that heal

- \$100 provides meals for 2 days, for a patient and their caregiver
- \$350 provides meals for 1 week, for a patient and their caregiver
- \$1,500 provides meals for 1 month, for a patient and their caregiver

Pay for temporary housing

- \$500 covers 1 week of temporary housing during transplant
- \$1,000 covers 2 weeks of temporary housing during transplant
- \$2,000 covers 1 month of temporary housing during transplant

Cover the copays

- \$400 covers 1 month of prescription copays
- \$1,200 covers 3 months of prescription copays

Support donors and caregivers

- \$1,000 covers lost wages for a blood stem cell donor, allowing them to volunteer their time off work to save a stranger's life.
- \$2,000 helps families make ends meet while the caregiver provides full-time care (required for all transplants)

About NMDPSM

- NMDP is a global nonprofit leader in cell therapy, helping find cures and save lives for patients with blood cancers, blood disorders like sickle cell disease—and beyond. But as a nonprofit leader in cell therapy, including blood stem cell transplants, they need people like me—and you—to move their mission forward.

You can make a powerful impact on patients by donating to my fundraiser in support of NMDP.

- NMDP has impacted more than 130,000 lives through cell therapy since 1987 and manage the world's most diverse listing of potential blood stem cell donors in the world.

- NMDP fundraises to help provide patient assistance for transplant costs, further diversify the registry and fund research that expands access to transplant for more patients—and helps them live longer, healthier lives afterward.

All funds raised go directly toward NMDP's life-saving mission.
