# CHANGING & SAVING LIVES OF WARRIORS AND THEIR FAMILIES

Since 2003, Wounded Warrior Project® (WWP) has been committed to helping injured veterans achieve their highest ambitions. Today, our dedication and ability to serve wounded warriors and their families is stronger than ever before.

The journey does not end for our nation's bravest the day their uniforms come off for the last time. Approximately 1.6 million post-9/11 veterans have reported a service-connected injury, meaning the population of warriors eligible for our programs and services is vast and varied.

Through our direct programs and services, advocacy efforts, and collaboration with best-in-practice veteran and military organizations, WWP changes — and saves — the lives of millions of injured veterans and their families — all at no cost to them.

★ **MISSION**

To honor and empower wounded warriors.

★ **VISION**

To foster the most successful, well-adjusted generation of wounded service members in our nation's history.

## ★ HOW WE SERVE

We fulfill our mission in three distinct ways:

- 1 PROVIDE** direct programs and services to warriors and their families.
- 2 ADVOCATE** for injured service members and their families in Washington, DC.
- 3 COLLABORATE** with other military and veteran support organizations to amplify our efforts.

## ★ MAKING A DIFFERENCE TOGETHER

As the needs of warriors and their families grow and evolve, they require an ever-changing level of support. Because of this, we know that our mission remains as critical as ever. But we know we cannot accomplish our great mission alone.

It's through the passion and generosity of friends, supporters, and like-minded organizations that we are able to offer these life-changing programs and services to wounded warriors and their families — at no cost to them.

**TOGETHER, WE CAN MAKE A SUCCESSFUL FUTURE A REALITY.**
