- Go to the RideWithGPS link above or scan the QR code

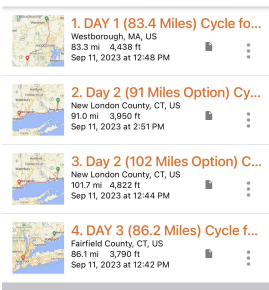

- Download the RideWithGPS app from iTunes or Google Play

- Create an account or sign in with a Google ID

Welcome to the 2023 Cycle for the Cause event!

Key Facts:

- All rest stops are labeled within the application with the picnic bench symbol
- All pit stops are labeled within the application with a water droplet symbol
- All sweep access points for day 3 are labeled within the application as an exclamation point.
- The application will give turn by turn directions and make a noise when a cue is coming up
 - The application will make a noise if you go off the route
- Download the route and it will work even if you do not have service.
