Dress Down
for Down Syndrome
Day

YOU can help individuals with Down syndrome reach their greatest potential when you Dress Down for Down Syndrome!

The Down Syndrome Association of Central Florida (DSACF) is Central Florida's leading voice for individuals with Down syndrome and their families. We serve over 1,200 individuals with Down syndrome, along with educators and medical professionals.

The Down Syndrome Association of Central Florida (DSACF) invites your organization to participate in a *Dress Down* for **Down Syndrome Day**. The purpose of this event is to raise awareness about Down syndrome in Central Florida schools, businesses and community while raising funds to support our programs and resources.

To participate in *Dress Down* for **Down Syndrome Day**, individuals wear casual clothing and are encouraged to make a donation in order to participate.

These support days can be held at anytime, but we suggest October to celebrate National Down Syndrome Awareness Month, or March to celebrate World Down Syndrome Day.

About DSACF & What We Do:

The Down Syndrome Association of Central Florida was started in 1991 by a few parents who needed support for their children with Down syndrome, and has since grown to over 1,200 families. We offer resources, programming, scholarships and support from prenatal to end of life. Our mission is to change what is possible for individuals with Down syndrome, and we do through individuals like YOU and the support of our community!

What You Need to Do to Participate:

The DSACF will support your organization by providing posters to be displayed throughout your building to help promote the *Dress Down* for **Down Syndrome Day**. You will receive wearable stickers to give to participants who supported the fundraiser.

The Down Syndrome Association of Central Florida is so thankful for your support! Please return the Participation Form once you are ready.

On behalf of the families that we serve, we thank you for making a difference in the lives of those with Down syndrome!

With gratitude,
Down Syndrome Association of Central Florida
