

A FUN way to raise \$500 for your Step Up Walk Team in 30 donations!

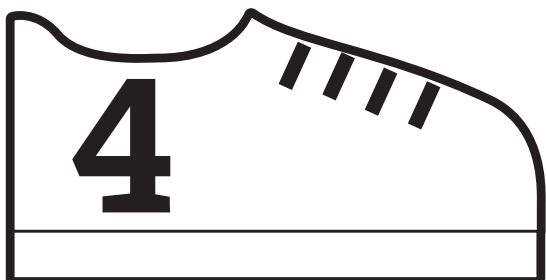

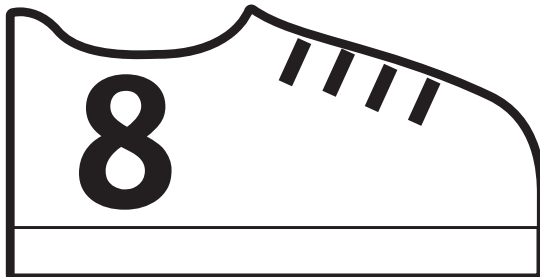

**EVERY donation is between
\$5-\$25**

What to Do:

- 1) Print the shoes attached, cut out and tape to poster board, cork board or wall.**
- 2) Underneath or on the back, write one of the corresponding amounts of money. Use each number once, as they add up to \$500.**

How it works:

- 1) Ask your supporter to pick a random number shoe and take a chance at the amount they will donate**
- 2) Under the shoe is a correlating donation amount between \$5 and \$25. Ask your supporter to donate that amount to your team page.**
- 3) Write their name on the shoe after they donate to thank them.**
- 4) Once all 30 shoes have been selected, your team will have raised \$500!!!**
- 5) Collect your fundraising prize at Packet Pick-Up for a Down syndrome button & shoe laces to celebrate!**
