

## Our Story

On November 23, 2007, our beautiful daughter Lily was brought into this world, 10 weeks premature, and with Down syndrome. Lily had a host of medical issues: 2 heart defects, TMD – which is a transient leukemia, oxygen dependency, and pulmonary hypertension. In less than 17 months she spent 8 weeks in the NICU, underwent 2

cardiac catheterizations as well as both a tonsillectomy and adenoidectomy. In those first 8 weeks we often wondered how Lily would leave the hospital – would her heart last, would the TMD develop into full blown leukemia, how long would she need oxygen. We did not have time to think or learn about how Down syndrome would affect her future.

We were extremely blessed that the Down Syndrome Association of Greater Cincinnati paid us a visit to Children's Hospital. They presented Lily with a basket full of goodies to keep bedside and presented us with a wealth of information. We were told of all the wonderful things our child could and would do! We were paired with a mentor family who was able to answer so many of our questions. The DSAGC also offered free physical therapy sessions for Lily after she came home. The mission of the DSAGC is to empower individuals, educate families, enhance communities and together, celebrate the extraordinary lives of people with Down syndrome.

In the years since bringing Lily home from the hospital we have learned of the valuable things the DSAGC does for kids as they grow and adults living with Down syndrome. The services and resources they provide, completely free of charge, cannot be given a dollar value. Education and information alone would change the face of this community but they go above and beyond. It is our goal to make it possible for the DSAGC to provide services to the Down syndrome community for many years to come.

Fortunately, today Lily is stronger than ever and is your typical 15 year-old!

## Our Mission

The mission of the Lily Walsh Charitable Corp. is to help the DSAGC continue to provide services and resources to the community. The DSAGC hosts an annual Buddy Walk to raise funds. For 15 years we have walked and raised funds to give back to DSAGC with this golf outing being our primary fundraising event. Every year we like to see an increase in the funds raised as the needs of the community continue to grow. We don't believe that Down syndrome should stop or limit any child (or adult) and it is our goal that DSAGC can touch the lives of every person who needs their help.
