## How to share your Fundraising Page

You can easily share your fundraising page on your social media accounts directly from your Participant Center. We have already uploaded a graphic and a templated posts to make it super simple! Or you can customize it!

### 1. Navigate to 'Your Page' after you login

2. Get the word out and easily share your page on social media.

3. Set up a Facebook Fundraiser! Plus, Facebook fundraisers on average raise \$150 more.
