

How to Donate to a Page or Team on Team Feed Corporate

Overview: This document provides steps on how to donate to a single page, team member or sub group on a team page, or a team page on the Team Feed Corporate fundraising site. If there are any questions as you are making a donation, reach out to feedingamerica@cathexispartners.com for support.

IMPORTANT! DO NOT use the **RED**  button at the top of the page when donating to a Team Feed Corporate fundraising campaign.

Make a Donation Using a Provided Link

The easiest way to donate to a Team Feed Corporate fundraising page is to use the **direct link** provided by the campaign organizer. Follow the steps below to make your donation:

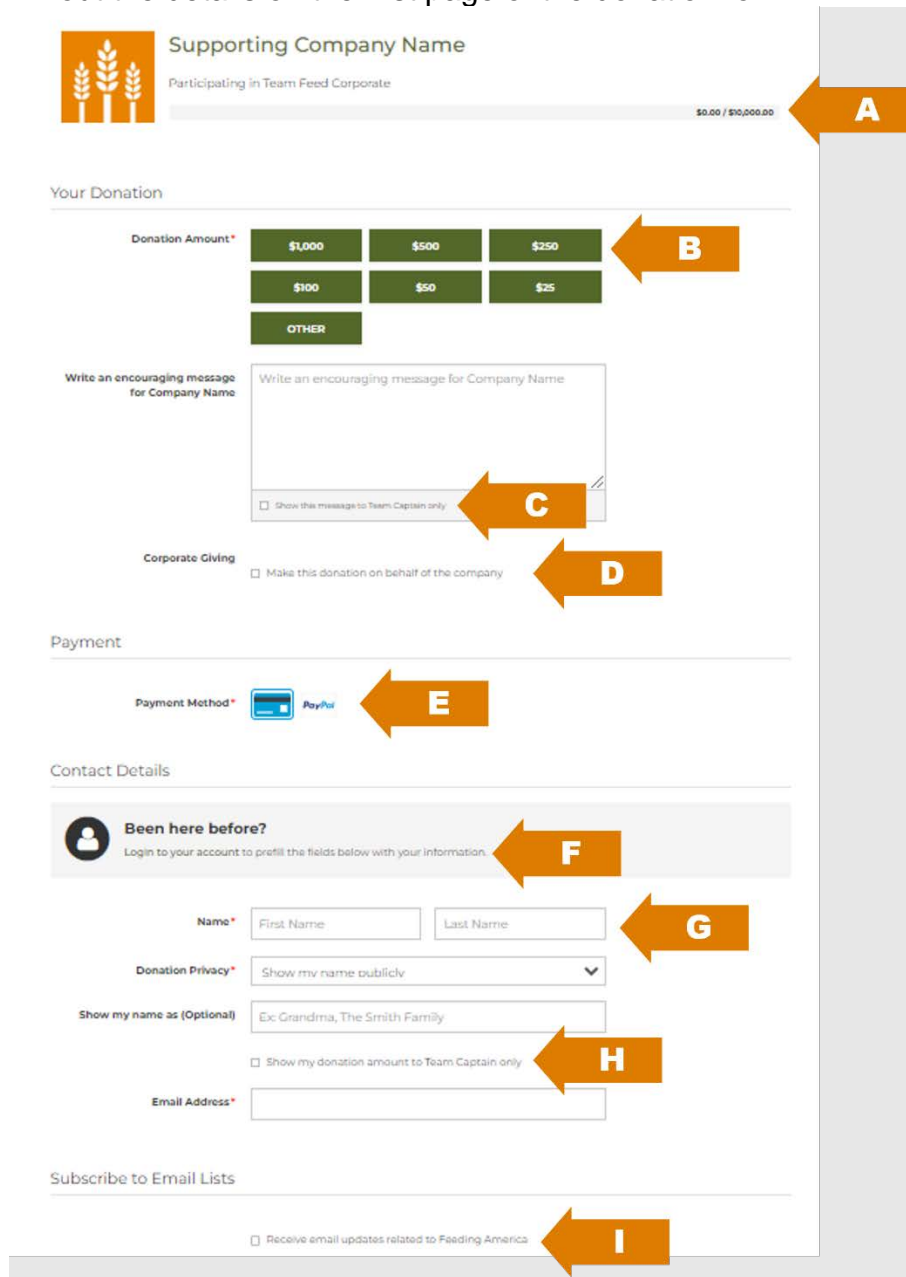

1. Click on the link provided by the campaign organizer
2. Click on the orange  button to start making your donation

NOTE: If the link you were provided directs you to a team page and you want to donate to an individual team member (subgroup) associated with the campaign, you can find your preferred Team Member under the Roster tab in the green toolbar.

3. Once identified, click on the  button (Note: You can also click on the name of the team member to view their individual page as part of the campaign.)

NOTE: The steps below are the same for both if you click on either the **ORANGE** or **GREEN** donate buttons.

4. Fill out the details on the first page of the donation form

The screenshot shows the first page of a donation form. It is divided into several sections: 'Supporting Company Name', 'Your Donation', 'Payment', and 'Contact Details'.
