

2023 Golf for Cancer

The Canadian Cancer Society's Golf for Cancer brings together golf enthusiasts across the country with the united goal of championing world leading outcomes in cancer prevention, treatment and support. By hosting a golf fundraiser, you are helping to transform the future of cancer by funding life-saving research to better detect, treat and prevent cancer. Events like yours are also an opportunity to celebrate those who live and have lived in the face of cancer, and those moving past cancer.

THANK YOU TO OUR
GENEROUS PARTNERS:

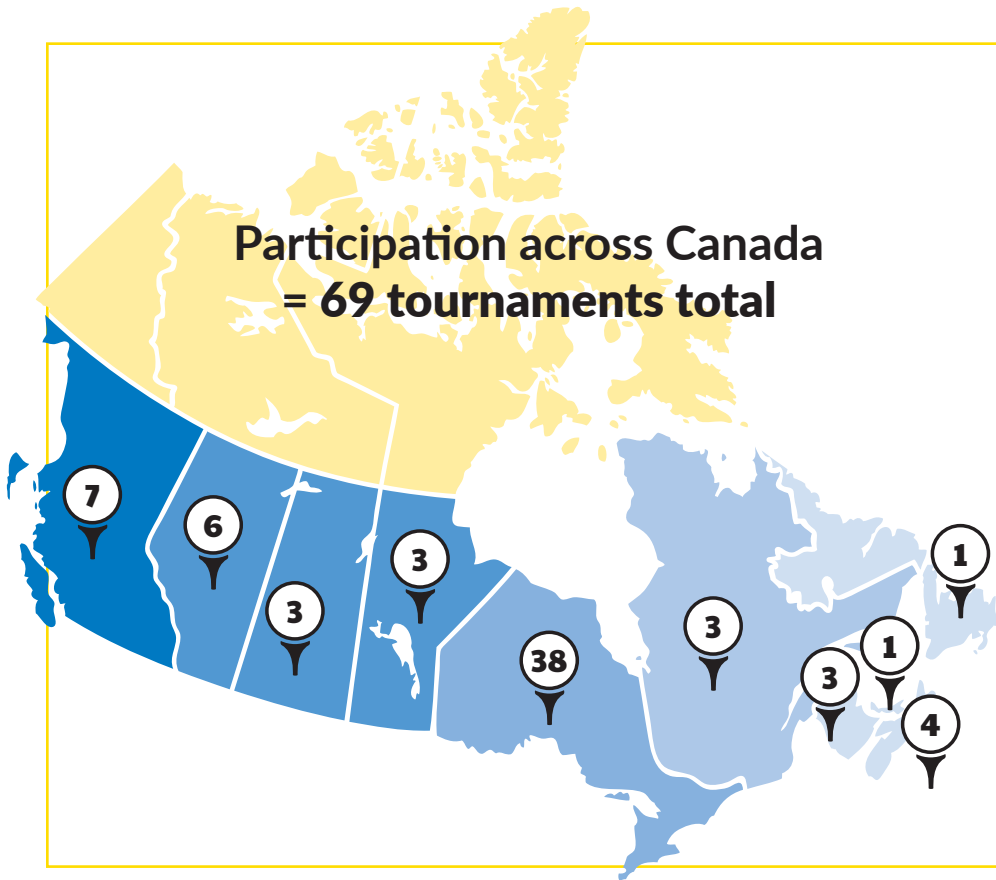

Total raised = \$700,000

Designations

- Breast (36 tournaments)
- Prostate (3 tournaments)

Thank You

When you made the decision to participate in Golf for Cancer, you became an invaluable part of a movement dedicated to saving lives and making life better for people affected by cancer. Thanks to you, we have spent the last year investing in exceptional research, amplifying the voices of those touched by cancer, and providing practical and emotional support to people in need.
