

Dear Potential Partner,

Each year, the Southern Maryland community unites to help kids and families treated at Children's National Hospital. This year, our focus is much closer to home as we join Finn's Fierce Fight to advance cancer research in honor of Finn Cusick, a [Charles?] County resident.

We invite you to partner with us to help kids like Finn, while highlighting your business's generosity and support. Through your sponsorship, you will receive the exciting marketing & recognition benefits outlined below, while helping us achieve our goal to raise \$500,000 for Children's National.
