About Breathe Deep TOGETHER

Breathe Deep TOGETHER will kick off Lung Cancer Awareness Month again this year on the morning of Saturday, November 4th! In addition to in-person events in NYC, Boston, DC, Chicago and Kingston, PA, we will be broadcasting the program while participants from all over the country walk TOGETHER. This means a nationwide presence for our sponsors and an opportunity for our participants to connect with each other.

About LUNgevity Foundation

LUNgevity Foundation is the nation's leading lung cancer organization focused on improving outcomes for people with lung cancer through research, education, support and engagement for patients, survivors and caregivers, and policy initiatives. LUNgevity seeks to make an immediate impact on quality of life and survivorship for everyone touched by the disease—while promoting health equity by addressing disparities throughout the care continuum. LUNgevity works tirelessly to advance research into early detection and more effective treatments, provide information and educational tools to empower patients and their caregivers, promote impactful public policy initiatives, and amplify the patient voice through research and engagement. The organization provides an active community for patients and survivors—and those who help them live longer and better lives.

Comprehensive resources include a medically-vetted and patient-centric website, a toll-free HELPLINE for support, the International Lung Cancer Survivorship Conference, and an easy-to-use Clinical Trial Finder, among other tools. All of these programs are to achieve our vision—a world where no one dies of lung cancer. LUNgevity Foundation is proud to be a four-star Charity Navigator organization.
