WE BREATHE DEEP TOGETHER IN MEMORY OF

Carol Dillingham Rowe and Katherine Dillingham

I first participated in Breathe Deep DC in 2009, its inaugural year, in honor of its founder Jerry Sorkin, a man I admired very much. I did not know how personal the lung cancer fight would become. Seven years ago, my mom, Katherine Dillingham, died from lung cancer at 84 years old. In May, my 55-year-old sister, Carol Dillingham Rowe, lost her courageous battle against the rare ALK+ lung cancer. I walk in memory of all three of these wonderful people.

–Susan Dillingham Shipp

Dr. Lisa Grandinetti

I breathe deep in memory of my sister, Dr. Lisa Grandinetti, who tragically passed away in February 2015. Lisa started Team LG when she was first diagnosed, but never had the opportunity to join us for that first year's walk. All of her family and friends have been walking in her memory ever since. Being a doctor herself, she was always looking out for others in need. Lisa was a force of life and loved by all who knew her. She will be forever in our hearts.

-Gina Woodworth (Team LG)

WE BREATHE DEEP TOGETHER IN MEMORY OF

Judy Haley "Mimi"
