IT ALL BEGAN WITH ONE WISH...

More than anything in the world, he wanted to become a **policeman** ...

In 1980, the community teamed up to fulfill his greatest **wish**.

SINCE THAT DAY...

- **Make-A-Wish International is present in more than 50 countries.**
- **More than 45 000 volunteers team up with us to grant wishes.**
- **More than 455 000 wishes granted worldwide.**

WHY GRANT WISHES ?

To change the life of every child that is eligible!

Adults who received a wish when they were children:

97% Report having an improvement in their mental and emotional health through their experience

83% Confirm that they have seen an improvement in their physical health as a result of their wish experience.

71% Declare that the wish experience has helped save their lives.

IMPACT OF A WISH
