

# RIDE FOR WISHES

## HANDY TIPS FOR FUNDRAISING ON DONOR DRIVE

Our event is built on the platform, **Donor Drive**, a customizable and easy to use fundraising platform which allows you to track your KMs, raise funds and support Make-A-Wish. It's easy to fundraise through your personal page by adding some unique features to have a bigger impact: milestones, incentives and activity pledges as options.

### MILESTONES

Milestones are handy markers to keep you going on your challenge and to help smash your goals. You can add these to your personalized fundraising page to inspire you and your donors with your progress.

The form is for 'Supporting Jessica Smith' and offers 'One-Time' or 'Monthly' donation options. It lists several preset donation amounts (\$500, \$68.72, \$25.58, \$10) and an 'OTHER' option. A text input field shows '\$ 10.00' with a currency dropdown set to 'USD'. There is an optional field for the donor's name, with an example 'Ex: Grandma, The Smith Family'. Under 'Donation Options', there are checkboxes for 'Make donation anonymous' and 'Add a message'. The 'Choose a Payment Method\*' section includes icons for PayPal, Bank Account, and amazon pay. At the bottom, there is a checkbox for 'Yes! I'd like to cover processing costs. (\$0.30 USD)'.

### WHAT YOUR DONORS WILL SEE?

Anyone who wants to support you, will be able to see your milestones and help **YOU achieve your goal**. Donors can opt to help a fundraiser reach their next milestone or they can view all milestones a fundraiser has set up and donate to reach any upcoming milestone.

The picture to the left is what donors will see when paying.
