

Make-A-Wish[®]

CANADA

Make-A-Wish is the world's leading wish granting organization.

We have been making wishes come true since **1983**, granting over **35,000** across the country. We want to grant the wish of every eligible child, but because of COVID-19, the impact to our wish kids means, **thousands of wishes are now waiting.**

99%

of parents said that the wish experience gave their children increased feelings of happiness

96%

of parents said the wish experience strengthened their families.

A wish is much more than a "nice to have" - it is **an essential component** of a child's treatment protocol

77%

of adult former wish kids say their wish gave them direction in life

91% of parents and **75% of health professionals** observed that the wish experience decreased their child's depression or sadness.

Dr. Jeremy Friedman, Associate Paediatrician-in-Chief at the world-renowned SickKids Hospital and the Medical Advisor for MAW Canada says...

"The best prescription I've ever given, is a wish.

DON'T WAIT FOR HOPE, *CREATE IT!*
