# RIDE FOR WISHES

SEPTEMBER 11-18

2021

## REGISTER TODAY!

Make-A-Wish® Ride for Wishes is a one-week virtual challenge which invites you to join one of our squads and cycle your chosen challenge distance — 50KM, 150KM or set your own KM challenge. You set the pace, time and destination. Ride indoors or outdoors, track your KMs and raise funds to help children with critical illnesses.

Your support will allow Make-A-Wish to continue creating powerful wish experiences that make a difference in the lives of children with critical illnesses.
