Make-A-Wish[®] **Holiday Wish Box** invites you to fundraise or donate \$5000 as an individual, corporate, community or family team to **Spark Joy and Create Hope** this holiday season. In return, you will be paired with one of our wish children from across Canada whose wish was cancelled or delayed due to COVID-19. You'll have the opportunity to build and pack them a personalized *Holiday Wish Box* to be delivered this December.

The holidays are a time like no other - when we watch and remember the magic of what it's like to be a child. Many of us will feel a sense of hope and joy we haven't known for a very long time, as we reconnect with family and friends to celebrate traditions together. But for children with critical illnesses, a life of uncertainty remains. Robbed of the simple joys of childhood, sadly hospital stays, doctor's visits and painful treatments are their "normal," even during the holiday season. This year, help **Spark Joy and Create Hope** for a child who's waiting for their wish by donating and creating a personalized **Holiday Wish Box**.
