We're supporting wishes this holiday season by participating in the [Make-A-Wish® Holiday Wish Box](#) campaign. We will be creating a personalized *Holiday Wish Box* for a child who has had their wish postponed due to COVID-19. By participating, we are helping raise the much-needed funds to grant life-changing wishes all while creating a little extra holiday cheer.

Make-A-Wish grants wishes to children with critical illnesses, wishes like Elliot's. Elliot, a 7 year old boy, living with a bone disorder. Elliot was overjoyed when he learned he would be receiving a wish— to have all his favorite electronics. His new electronics allow him and his siblings to enjoy time together and make memories that will last a lifetime. Read more about his [wish story here](#).
