TRAILBLAZE FOR WISHES

Make-A-Wish® Trailblaze for Wishes is an 8 week virtual challenge where you choose your challenge and blaze your own trail by hiking, walking, biking, rollerblading, swimming or even rolling, your chosen challenge distance — **50KM, 100KM or 200KM**. You set the pace, time and destination.

Your support will allow Make-A-Wish to continue creating powerful wish experiences that make a difference in the lives of children with critical illnesses.
