

SANTA CLAUS LANE

Santa Claus Lane is a multi-family street that has come together to make Christmas and the holiday season special for all. This is Santa Claus Lane's first official year of fundraising with Make A Wish.

We did a huge Halloween display and raised \$2,778.00 for Make A Wish. Our group discussed a few different charities and Make-A-Wish was the charity that we chose to support.

Our social media is a great place to bring awareness to our fundraise page. Throughout our street, we will place Make-A-Wish signage that includes our fundraising link and QR code to make it easy for people to donate online. For the people who want to donate in person, we make sure to have a donation jar available. By entering into as many Christmas contests as possible, this gives us the opportunity to talk about our support and fundraising with Make-A-Wish. Being able to help children facing critical illnesses is something we are proud to be a part of because every child deserves to have their wish come true.

Make-A-Wish has shown us so much support on social media as well as in person, making it an easy decision to continue to support such an amazing foundation. Thank you from all of us at Santa Claus Lane 209eh St!

Thank you to everyone involved with Santa Claus Lane and helping Make-A-Wish continue to grant wishes to children with critical illness.
