

HOW TO CREATE A QR CODE FOR YOUR EVENT

- 1** Go to an online free QR code generator website. We like qr-code-monkey.com OR qr-code-generator.com
- 2** Enter your website URL (or any email, photo, text) that you want your QR code to go too
- 3** Some online QR code generators allow you to customize by adding colours or images
- 4** Download your customized QR code
- 5** You can now insert your QR code image onto promotional material for your event
