

# Wish Angels

## LADIES' GOLF TOURNAMENT

Sunday, September 15, 2024  
Glasgow Hills

in support of

Make-A-Wish<sup>®</sup>

Dear Friend,

I am deeply honoured to be hosting the 1st Annual "Wish Angels" Ladies' Golf Tournament at Glasgow Hills on Sunday, September 15th. Ladies, it is going to be an amazing day, where you and your team will get to enjoy the beautiful Glasgow Hills, get to meet some amazing wish children and spend the afternoon in good company with like-minded women who are wanting to support this worthwhile cause. In PEI currently, we are working on over 20 wishes and our goal for the day is to raise enough money to support the granting of a WISH. Granting a wish to a child, gives hope to a family when facing one of life's most unimaginable challenges, and gives the family something to look forward at a time when they need it most. In honour of your support in funding this wish, please join me on Sunday, September 15th and wear white as you will be doing the work of an "Angel" on this day and helping in granting the wish of a child.

Thank you, friend, for your interest in supporting our cause.

*Jeanette Wakelin*

Chair, PEI Chapter Advisory Board and Member of the National Board
