

WAYS TO FUNDRAISE 10K!

TIME TO GET CREATIVE

Host a Auction

Organize a raffle or 50/50.

Make-A-Wish doesn't apply for any permits or insurance on behalf of fundraisers. If your event requires either, these need to be applied for by the fundraiser and not Make-A-Wish.

Create incentives for your donors by offering something in return for supporting you reaching your goal.

Host a wine or gift card survivor fundraiser by including an entry fee donation and buy-backs through donating to your personal fundraising page.

Host an event or dinner party and ask guests to donate on your fundraising page as their "ticket" to the event.

Launch a cause marketing campaign by creating or selling products, with proceeds going to your campaign.

Crowdfunding:

Utilise your social media by scheduling 1 post per week to make the asks. Use these posts to talk about the mission, wish children and your 'why'.
