

HOW TO PERSONALIZE YOUR FUNDRAISING PAGE

Once you're signed up for **DIY for Wishes** you will be provided with a unique fundraising page which you can personalize in support of raising funds for Make-A-Wish. You will be able to customize your page with your 'WHY', add photos, send out emails to your network and share on social media! It's simple to set up, follow the below steps and start fundraising today!

FACT

Personalizing your page and making your first donation goes a long way to crushing your goals—actually, research shows those who donate and personalize their page go on to raise 75% more!

1 *Log In*

Log in at www.diyforwishes.ca and click "your page".

2 *Edit*

Edit your custom fundraising page, by clicking on the pencils. Customize your profile with your photo, share details about your fundraiser and explain your 'WHY'!

3 *Share to your networks*

Scroll down to the bottom of the page to find your personal link to share on your social media and to your network.
