

# Lemonade for WISHES

## Did you know...

-  Make-A-Wish® is the world's leading wish-granting organization, serving children with critical illnesses in every community across Canada by granting their most heartfelt wish.
-  Make-A-Wish Canada is proudly celebrating 40 years of wish granting in 2023, having granted more than 37,000 wishes since 1983.
-  A child is diagnosed with a critical illness every 20 minutes. With three new children facing critical illnesses each and every hour, our need for donations is continuous.
-  Make-A-Wish Canada's goal is to bring every eligible child's wish to life. In 2022, we granted over 1,000 life changing wishes. We still have thousands of wishes waiting to be granted. We cannot grant those wishes without your help.
-  For the wish children and their families, having hope for a better day while facing challenging circumstances helps them persevere through lengthy hospital stays, doctor's visits and painful treatments.
-  Every child's wish begins with hope. When a wish child has something positive to look forward to, everything begins to change. Help us bring hope and joy to these children. Donate today.
