GOLF FOR WISHES

Make-A-Wish.

SPONSORSHIP PACKAGE 2024

Dear Friend,

2024 marks the 2nd year of Golf for Wishes in Regina. The granting of just one wish can provide long lasting memories and experiences that aid in healing, provide strength, and give hope to what otherwise might be a dark period for children with critical illnesses and their families.

The past few years have been a challenge for everyone, including our prospective wish families. Due to a slow down in fundraising and travel restrictions there was a significant drop in the number of wishes that were granted. 2023 however was a year of recovery where we were able to grant 86 wishes in Saskatchewan compared to 64 the previous year. Our goal for 2024 is 110 wishes in Saskatchewan.

As Development Manager, I would like to extend an invitation to our sponsors, both past and present — as well as interested new sponsors — to join us at this amazing event on Thursday May 30th, 2024, at Deer Valley Golf Club. I invite you to review the sponsorship guide that details the various sponsorship opportunities available. We would also welcome the opportunity to discuss other ways you or your organization would like to contribute to the tournament, including the donation of silent or live auction items, or prizes.

On behalf of the entire staff, please join me in supporting this vital cause!

Stacie Lawson
Development Manager | Saskatchewan
