

For nearly 75 years, MDA has pushed the boundaries of medical research, accelerating the development of cutting-edge treatments and expanding access to top-tier medical care for people living with muscular dystrophy, ALS, spinal muscular atrophy, and related neuromuscular diseases. When you host a fundraiser for MDA, you become an integral part of this legacy of impact, shaping a world without limits for MDA families.

MDA's Mission

Empowering people with neuromuscular diseases to live fulfilling and independent lives through research, care, community support and advocacy.
