

A Legacy of Impact and Partnership for more than 40 Years

Educate, Empower, Inspire: DECA AND MDA

At the Muscular Dystrophy Association (MDA), we see a world without limits for children and adults living with neuromuscular disease. Our mission is about confronting challenges, championing opportunities, and celebrating resilience.

Thanks to DECA's long-time partnership - spanning more than 40 years and resulting in more than \$5 million in MDA mission support - we are able to empower the people we serve to live longer, more independent lives. We do this through cutting edge research, access to top-tier expert medical care, comprehensive resources and education, and advocacy for access, inclusion, and independence.

Together, we can continue the incredible legacy of DECA and MDA, creating a brighter future for people living with neuromuscular disorders.

Hear the Community You Empower

Brandon has an Associate's Degree of Applied Science with a major in Health Information Management Systems and is currently, studying to receive a degree in Public Health.

My beliefs reflect the mission of MDA: to empower the people we serve to live longer, more independent lives. This is paramount in order for those living with neuromuscular diseases to have the quality of life they deserve and are entitled to. I hope to be a leader, inspire others, and encourage them that they can do anything that they set their minds to.

Kimi has a degree in Intelligence, Data Science, and Cyber Operations.

MDA Summer Camp grew my confidence. Now, I want to help others grow theirs. My disability motivated me to start my own organization; the Student Assembly for Accessibility. I now serve as a mentor to the new and growing generation of students with disabilities entering USC and surrounding schools.

Questions?

How do I Connect with MDA's DECA Support Team?

Email: studentservices@mdausa.org
Phone: (312) 525-8396

For detailed instructions, please scan QR code.

Where to Send Your Contributions?

Mail checks directly to MDA at the following address. (Please make sure to fill out the allocation form and send with your check.)

Muscular Dystrophy Association Inc
Attn: DECA
PO Box 7410354
Chicago, IL 60674-0354

Funds can also be transferred to MDA via ACH.
