Dear Name or Business,

On behalf of the National Multiple Sclerosis Society, I would like to thank you for your recent gift in supporting the Event Name Here on Date Here. Your generosity will fuel cutting-edge research and provide vital programs for people living with MS.

We are committed to creating a world free of MS. The National MS Society is the largest private funder of MS research in the world. In turn, the Society's leadership fosters critical research which has led to the development of numerous disease-modifying treatments and symptom management therapies.

We are grateful for your support. Momentum in MS research has never been greater. The goal is simple: stop MS in its tracks, restore what has been lost and end MS forever.

With warm appreciation,
