Nearly **1 MILLION PEOPLE** are living with multiple sclerosis in the United States.

Multiple sclerosis is an unpredictable disease of the central nervous system. Currently there is no cure. Symptoms vary from person to person and may include disabling fatigue, mobility challenges, cognitive changes, and vision issues. An estimated 1 million people live with MS in the United States. Early diagnosis and treatment are critical to minimize disability. Significant progress is being made to achieve a world free of MS.

MS is **3X MORE COMMON IN WOMEN** than in men and the cause of MS is still unknown.

Scientists believe that a combination of environmental and genetic factors contribute to the risk of developing MS. The progress, severity, and specific symptoms of MS in any one person cannot yet be predicted.

We are stronger together

Ending MS for good will take all of us. It's why fundraising matters so much. And it's why you matter so much. Each year, through the generous support of corporate sponsors, the Society is able to fund critical research, programs and services that genuinely make a difference in the lives of people affected by MS.

By joining the movement toward a world free of MS, companies engaged with the Society are able to reach potential consumers in a deep and meaningful way, as well as demonstrate their commitment to corporate philanthropy among customers, employees, and key company stakeholders.

An event to support and celebrate inspirational women

Fashion Plates, a fashion show and luncheon, is a premier fundraising event of the National Multiple Sclerosis Society, Greater New England. An important goal of Fashion Plates is to educate, motivate, and inspire business and community leaders to make the National MS Society one of the nonprofit organizations they support on an ongoing basis. Through your participation in Fashion Plates, you will:

- Help fund research to find a cure
- Build corporate awareness
- Create opportunities for employee involvement
- Gain exposure to high-income, highly educated, and professional attendees
- Receive special day-of-event promotional opportunities (product, promotions, etc.)
- Experience year-round promotional opportunities on social media and email campaigns

Driving change for good by the numbers

The National MS Society works tirelessly to ensure each person living with MS can live their best life.

- The Society is the largest private funder of MS research in the world and has **invested over \$1.1 billion** in research funding, and has recruited **over 1,000 new MS researchers** to the field since 1946.
- We provide **24/7 access** to the most comprehensive information and resources are available for every person affected by MS, including their families and loved ones. Each year 200,000 people connect to the Society's MS Navigator® program; 500,000 receive Momentum magazine; 1.9 million receive monthly eNews; 600,000 connect to those with shared experiences and experts through **MSconnection.org**
- We are **increasing investments in wellness research** including diet, exercise and complementary and alternative therapies. We are recognized as the catalyst for ALL major advancements in MS we discovered and drove nerve and myelin repair in MS research.
- We engage more than half a million volunteers through our fundraising events. 75,000+ MS activists across the country have united to secure an additional \$25 million in government research funding over the last six years.
