

\$10,000 Level Prize Option:

Southeast Tour of Champions

Description: The National Multiple Sclerosis Society's annual Tour of Champions is one of the most highly anticipated celebrations for the Society's top fundraisers. This three-night, four-day retreat honors those who have made a significant contribution at Bike MS by raising more than \$10,000 to create a world free of multiple sclerosis.

Over the course of the weekend, you'll have the opportunity to meet other top fundraisers from across the southeast region to network, celebrate and inspire each other! The retreat includes travel arrangements* to/from the host city, accommodations for three nights, a Thursday night welcome reception, Friday activity in host city, a Saturday morning mission and networking opportunity and concludes with a three-course celebratory dinner on Saturday evening.

For those raising \$15,000 or more, you are invited to bring a guest at no cost. Guest packages will be approximately \$350 if fundraising is under \$15,000 and excludes travel arrangements.

*Flights covered up to \$300 per person
