

WELCOME TO THE TEAM VILLAGE!!

We are thrilled to have you as a part of our Team Village, right in the middle of all the action at Union Point Park, where you can get settled and enjoy the celebration with fellow cyclists and friends. Teams have the option of ordering rental equipment (tent, tables, and chairs) through our supplier, Curated Events, and they will be delivered directly to the site.

Please complete the form below for rental equipment and return to John Bradford: jbradford@curatedevents.com, no later than Monday, August 12, 2024. Prices listed are inclusive of tax, labor, and other fees. The only exception is if you choose to pay with a credit card vs an ACH transfer or mailing a check, there is a 3% fee.
