

### Walk MS: Naperville Parking Instructions

Participants will be entering the site from Jackson Avenue.

We will have Volunteers set up at both entrances of Jackson Avenue.

We will have Volunteers set up at the entrance of the VFW and the entrance for any assistance needed to get to general parking. There will be a turn around in this area for people that enter but can't park.

We will have Volunteers set up in the middle of general parking and main site. This position will help with participants driving through that have any questions.

There is also street parking on Jackson Avenue.

Parking for ADA or VIP Parking will use the space that is closest to the site.

ADA and VIP Parking will be blocked off near the main site.
