

NATIONAL TEAM 2023 IMPACT REPORT

Presented To:

Dear Burns & McDonnell,

Thank you for your commitment to changing the world for people affected by MS. You are inspiring! We are blown away by your support and generosity this year.

We are racing faster than ever toward cures for all people with MS. For the nearly 1 million people living with MS and those who love and support them, the Society is a trusted partner striving to equip each person with exactly what they need, when they need it. Your dedication helps make progress possible.

In 2023, our National Teams raised \$9.2 million among 8,000+ event participants. Thank you for taking your place among these amazing leaders as we work to end MS forever.

Our mission is: We will cure MS while empowering people affected by MS to live their best lives. We approach this with intentionality. Curing MS is within our reach and the Pathways to MS Cures scientific roadmap has garnered the global consensus to lead us there. The MS Navigator Experience provides customized support and connection, so people affected by MS know they're not alone. We are tirelessly advocating on a state- and federal level to amplify the voices of people affected by MS. Without your support, none of it would be possible.

We are deeply grateful for your partnership in this crucial work. Thank you for everything you do.

Yours truly,

Cyndi Zagieboylo
President & CEO
National MS Society
