

2024 TEXAS MS 150 – TAMU FINISH LINE FAQ's

TEAMS & TENTS

Is the layout the same as last year?

It will be a very similar layout to last year and maps will be available a couple weeks before the event. All finish line festivities will be along the North and East side of Kyle Field Plaza and in Aggie Park. There will not be access to the inside of Kyle Field.

Where is my team's tent located?

All team tents will be located on the Plaza to the North and East sides of Kyle Field and Aggie Park. Team tent maps will be available mid-April for all teams that rented a tent through the <u>txms150teams.org</u> website.

Can I reserve a spot for my team in the stands?

The inside of Kyle Field will not be open for the event this year. There will not be ANY access into the stadium.

Can my team load in any items on Friday or Saturday?

No, teams may not load-in items into their team tents on Friday or Saturday. If you have special requests to load in items on Saturday, please reach out to your staff contact.

What time can team representatives load-in items to our tent on Sunday?

The site opens for team tent load-in beginning at 6:00 AM and ends at 9:00 AM sharp. This time frame is to ensure all vehicles are out of the path of riders in advance of the first participant arrivals. Please note, team tents are located on the Plaza at Kyle Field and thus direct access to tents WILL NOT BE permitted. However, teams will be able to pull up to the curb near their team tent area for unloading. Vehicles should be unloaded IMMEDIATELY and then moved to recommended parking areas. DO NOT leave your vehicle unattended at any time.

Due to anticipated participant arrivals to the finish line, any team vehicle arriving after 9:00 AM will NOT be allowed to have vehicular access to unload near their team tent. Please bring dollies, wagons, or other carts to transport your items to your tent.

Where can I unload my team members' luggage?

Team luggage can be unloaded in designated locations in Lot 48 between 6:00 AM and 10:00 AM on Sunday. Vehicles must have the necessary Team access pass to enter this lot. In order to accommodate all vehicles needing access, representatives are asked to unload their trucks/vehicles swiftly and move them to the designated parking location in Lot 100a. Additionally, we strongly recommend your riders pack a small bag with only the essentials just for the Finish Line.

Will there be showers?

There will be shower trucks at the finish line again this year. They will be located on the Southeast side of the stadium in Lot 48 near the official finish line.

What luggage do I need to bring?

You are welcome to bring whatever makes you feel comfortable. A small bag with a change of clothes is all you will need aside from you any personal belongings, keys, wallet, medicine, etc. You will be required to use the event luggage tags on all bags. A maximum of 2 bags is allowed per rider. Preview the <u>Know Before You Go</u> to assure you're set for event weekend with the Luggage Requirements & Packing List!

Do I have to use the luggage tags provided by the event?

YES. We require ALL riders to utilize the event's luggage tags even if your team is transporting your luggage for you. Due to the luggage process at the finish in College Station, event luggage WILL NOT be dropped directly at your tent, and event volunteers will use the event's luggage tag as the identifier to ensure all riders are claiming the correct luggage. REMINDER: you will be required to show your bib or wristband matching the rider number on the luggage. Please do not dispose of your bib or wristband after you finish!

What time can team representatives load out items from our tent on Sunday?

Vehicular access to team tents will be allowed at approximately 6:00 PM +/- OR after the last rider finishes to ensure safety for all event participants. If a team wishes to load out early, they are responsible for transporting their items from their tent to their place of parking.

What catering options are there for my team?

Teams may order catering from the approved delivery vendors coordinated by the event and Revel XP. These vendors include Double Dave's Pizza, C&J BBQ, Buppy's, and Costa Vida. Ordering link for all 4 vendors <u>HERE</u>.

Orders through approved vendors will be available for pick up at the 'Drop Off Zone' on Joe Routt Blvd. directly in front of the Rudder Tower.

*Any caterers that are not on this list, will not be allowed or able to deliver to the site. Access to the dropoff zone is controlled by security.

All cooking must be done outside of your tent and follow all policies provided by Texas A&M and the National MS Society. You **must have** a fully functioning fire extinguisher at your tent if you plan to grill.
