

Dear NAMIWalks Supporter,

At NAMIWalks Jacksonville, the bond of community grows stronger. It’s a time when supporters of *Mental Health for All* make their passion public: applauding fellow participants, wearing walk T-shirts, and honoring loved ones who have struggled or been a champion.

We invite you to order a **Tribute Sign** to let your support of mental health be known and to donate to NAMI Jacksonville’s free mental health support programs. Your message will find a home right in the middle of the walk day in our Tribute Garden honoring those who we love and have been affected by mental illness. Consider donating \$200 to NAMIWalks Jacksonville; let us know which sign you prefer.

We will prepare the sign and display it on walk day.

At NAMIWalks Your Way, you get to have your say — to let the community know you have chosen to add your voice to theirs. **It’s quite a statement.**

All my Best,
 Suzanne Mailloux, Executive Director
 NAMI Jacksonville Florida
