FUNDRAISING GUIDE

Northwell Health Walk

Presented by: **Bethpage** Federal Credit Union

Welcome and Thank You!

We're thrilled you have chosen to join us for the 2024 Northwell Health Walk on Sunday, May 19.

You're joining a movement of thousands of neighbors and family members who are ready to stand up and take steps with Northwell Health to support local healthcare heroes and ensure that quality medical care is available to everyone who needs it. When you walk for the Northwell Health Walk you are raising your community's health and your own.

We've created this step-by-step guide to assist with your fundraising efforts and to help reach your fundraising goals!

Your Participant Dashboard and Fundraising Page

After registering, you'll access your fundraising page and participant dashboard. It's your best resource for requesting donations and communicating with supporters. Below are fundraising tips including ways to utilize your page and dashboard. Then watch our [how-to videos here](#) for step by step instructions.

Share a compelling story with powerful images to create an impactful message

- People are more likely to give when they feel a connection to the cause. Inspire others by sharing personal photos and your reason for walking, both on your page and in your outreach.

Upload your email contact list

- Create a spreadsheet with names and emails of everyone you know, including family, friends, co-workers, and neighbors and upload the list to your participant dashboard.
- Use our email templates or create your own to send mass email blasts for donations or general updates.

Add fundraising milestones and incentives to your fundraising page

MILESTONES

Motivate your donors to give by setting up fun and meaningful milestones on your fundraising page towards your overall goal. For example, consider the following milestones:

- \$100:** Post a video singing on social media
- \$250:** Wear a funny costume for the day
- \$500:** Get a pie in the face

INCENTIVES

Reward your donors for their generosity with a gift based on their donation amount. This could be a physical item that you make or buy, or you could offer a service. For example:

- \$50 gift:** I'll bake cupcakes for you
- \$250 gift:** I'll make you dinner
- \$500 gift:** I'll be your chauffeur for the day

Tips for Fundraising Success

Utilize our Fundraising Resources

- We've already done the hard part for you! In this guide you'll find fundraising tips, sample emails and social media posts. Then click [here](#) to access other great resources like a 30 day fundraising calendar, posters, change jar labels, social media graphics, and more!

Diversify your outreach efforts

- Know your target audience! Consider using email, text, phone calls, social media, even scheduling an in-person meet-up when asking for donations.

Follow up!

- Your supporters want to help but they need to be reminded more than once before they donate. Don't be afraid to send a follow-up communication to those who haven't responded.

Give thanks :)

- Once someone donates, send a message thanking them for their generosity. Give them a shout-out and tag them on social media. Then share photos and your fundraising progress once the event wraps up to keep them engaged.

Social Media Tips

Social media is one of the easiest ways to connect with potential donors. Leverage all of your social platforms (Facebook, Instagram, LinkedIn, Twitter, and more!) with our tips below, to further your reach, create awareness and fundraise for your Walk.

Link your fundraising page

- Add your fundraising page link to the about/bio section of your social media profiles. When you post about your Walk, be sure to mention that donations can be made through the link in your bio.

Use the hashtag and tag us when posting

- Always use [#NorthwellHealthWalk](#) and click the links below to follow us

Post regular updates

- Go live, share a post, create a story, or even a reel to update supporters on your fundraising progress
- Post photos or videos of your walks or use our graphics linked above.

Fundraising Events

Get creative and host an in-person or virtual event for a unique opportunity to engage one-on-one with your supporters while raising funds for the Northwell Health Walk. Consider charging an admission fee or ask for suggested donations. Here's are some basic ideas to get started.

Decide Your Event Type

- Decide if your event will be in-person or virtual. Activities you already enjoy doing with friends, like bowling or game nights, can be turned into an event.

Inspire Fundraising

- Set a fundraising goal and consider how you'll reach it. Will you charge an entry fee or ask for suggested donations?

Spread the Word

- Invite everyone you know. Create a Facebook event, post on social media, send physical invitations or e-vites. Consider creating a flyer for your event and posting in your neighborhood.

Have Fun

- You are taking on a big challenge, but you'll make a positive impact on your communities. Be sure to take time during your event to have fun and celebrate your accomplishments with your guests!

Fundraising Event Ideas

Fitness Fundraiser

- Approach your gym (or yoga, spin, or Zumba instructor) to see if an instructor would be willing to volunteer their time to host a class. Charge admission in the form of donations to your fundraiser.

Game Night

- Teams can donate to your fundraiser while you have fun playing games like charades, bingo, or trivia! See if a local restaurant would be willing to donate gift cards as a prize item for winners!

Meals to Go

- Put your cooking or baking skills to work! Create meal kits or treat boxes and invite your friends to pick up a box to go in return for a donation to your fundraising page.

Restaurant Fundraiser

- Reach out to your favorite bar or restaurant and ask if they are willing to donate 20% (or more!) of sales for indoor dining. Many already have charity programs in place. Then invite all your friends, family and colleagues for a night out!
