About the National Ovarian Coalition

Since 1991, the National Ovarian Cancer Coalition (NOCC) has provided support to thousands of cancer survivors, delivered millions of educational resources, and connected with countless local community partners to raise awareness about ovarian cancer. The NOCC is an influential national advocate for patients, survivors, caregivers, and their families facing an ovarian cancer diagnosis, and remains steadfast in its mission “to save lives through the prevention and cure of ovarian cancer, and to improve the quality of life for survivors and caregivers.” At the NOCC, our teal team leads with our values and unique experiences to provide support and education across all communities, ensuring that every person is empowered to advocate for their health.

Our Vision

We envision a future where no one ever loses their life to ovarian cancer.

About Together In TEAL® - Ending Ovarian Cancer

Together in Teal - Ending Ovarian Cancer is the NOCC’s signature fundraising series. Hosted annually in communities across the country, these events increase awareness, honor those affected by ovarian cancer, and raise financial support benefiting the NOCC’s local and national programs and initiatives. Through these events, the community is strengthened and empowered, survivors are honored, and those lost to the disease are remembered. This community spirit continues through ongoing participation of both individuals and teams.

Why Should You Partner?

As a proud partner of the NOCC, your company will have a profound impact on a critical women's health issue that devastates the entire family. Your brand will be recognized as a leader in the battle against ovarian cancer and will be associated with an initiative that is gaining visibility, both locally and nationally.

It is our goal to underwrite expenses through both monetary and in-kind contributions. This ensures that more funds can support the battle against ovarian cancer by providing maximum return on the dollars raised by our community to support our mission and programs.

Monetary Sponsorship

Monetary sponsorships help cover costs of producing the event and translate into more event revenue used to fund local and national programs and initiatives. Benefits vary depending on financial commitment level, but all partners reach a broad audience of individuals committed to this cause.

In-Kind Opportunities

Our goal is to underwrite necessary event expenses as much as possible through in-kind contributions of products and services. This ensures that more funds raised will support our battle against ovarian cancer. All essential items are valued at 100% retail value; donations not considered essential are valued at half retail value for sponsorship and tax deduction purposes.

Benefits of in-kind opportunities are based on fair market value and align with the corporate sponsor levels.

SPIRIT TENT SPONSOR - \$3000

This tent brings together participants and families to relax and enjoy a fun game, a craft activity, and spirited teal face paint. In past years, we have had lawn games, glitter tattoos, face painting, balloon animals and many other fun activities for our youngest attendees, and those young at heart.

REFRESHMENT SPONSOR - \$3000

Join us in handing out refreshments before and after the event and along the race course to keep participants fueled and hydrated!

REGISTRATION & REWARDS TENT SPONSOR - \$3000
