

Every cancer. Every life.

DonorDrive Fundraising Mobile App for iOS & Android

App Overview Guide

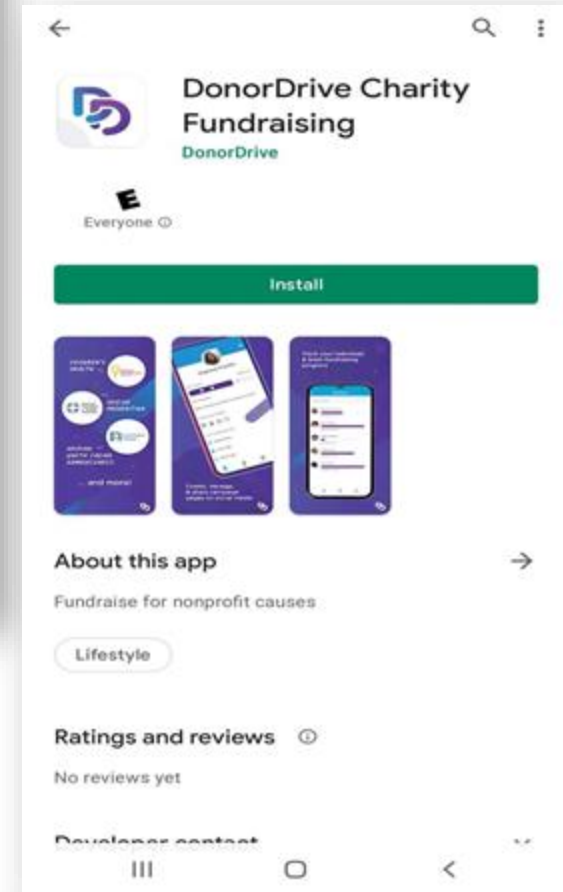

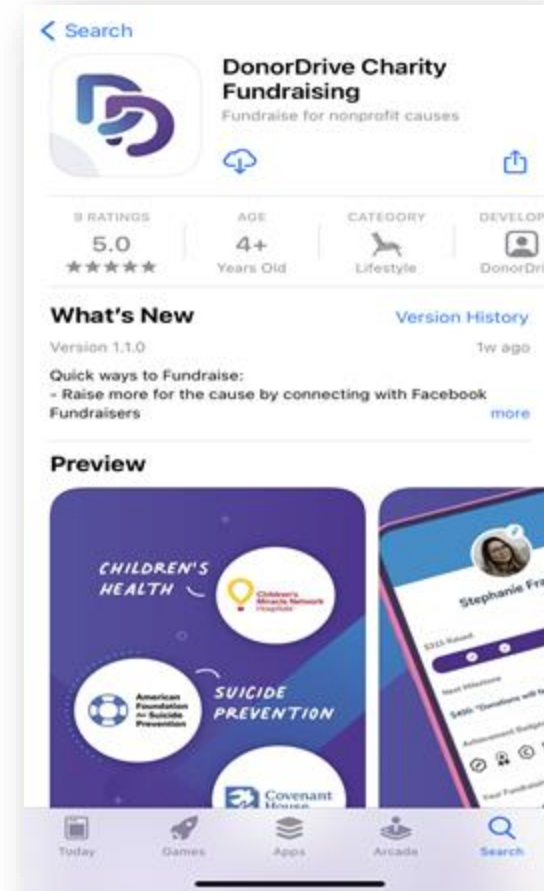

Introduction: The purpose of this guide is to show you, as a fundraiser, how to:

- 1 Fundraise for American Cancer Society**
- 2 Go through each tab the app offers, and what type functions those tabs include.**
- 3 View the settings for your fundraising profile and app.**

Downloading the DonorDrive Charity Fundraising App

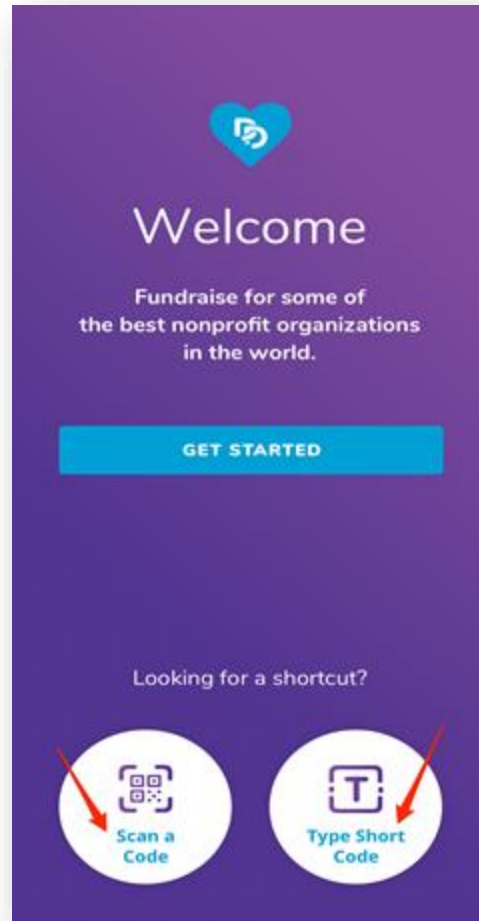

First, you'll want to download DonorDrive mobile app. This can be done from both the [Apple App Store](#) for Apple iOS users; and the [Google Play Store](#) for Android users.

Users can search for "DonorDrive" to find the **DonorDrive Charity Fundraising app**

The app will only work on mobile devices that are using iOS version 14 or later and Android OS 4.4 or later

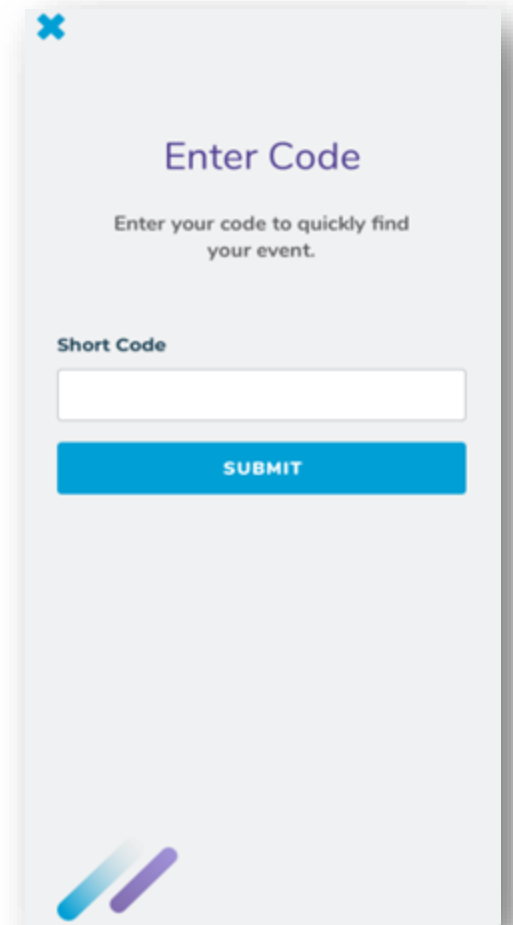

Finding an Event with ACS Codes

Once downloaded onto a mobile device, you can register for your desired organization's events.

If you were provided a QR code, tap **Scan a Code**. Point your device's camera at the QR code. Once scanned you will be taken to register or login.

When sent a Short Code, tap **Type Short Code**, enter it in and tap Submit, then register or login.

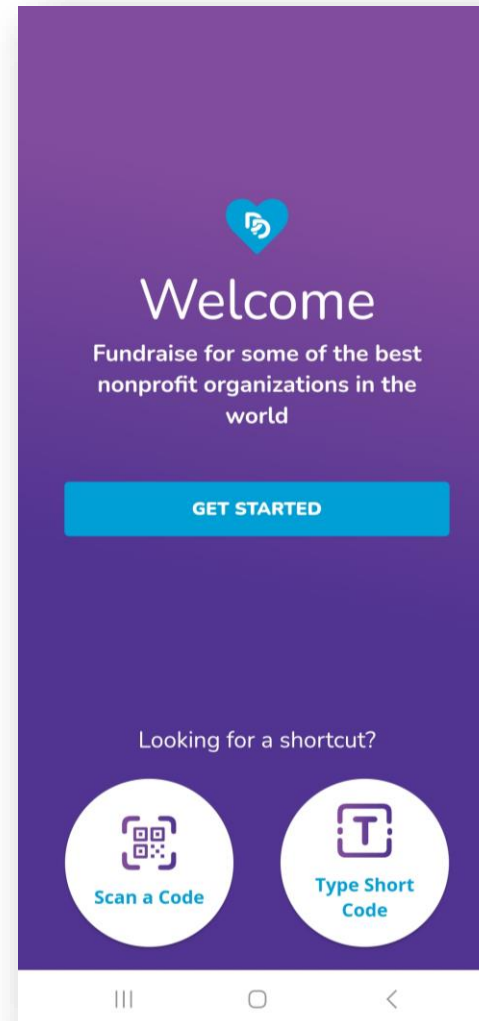

Logging In or Registering as a New User

Registering as a new user:

If you're new, tap **Get Started** to find American Cancer Society.

Logging in with an existing account:

If you're already registered to fundraise for American Cancer Society, you can find the appropriate Event and log in.

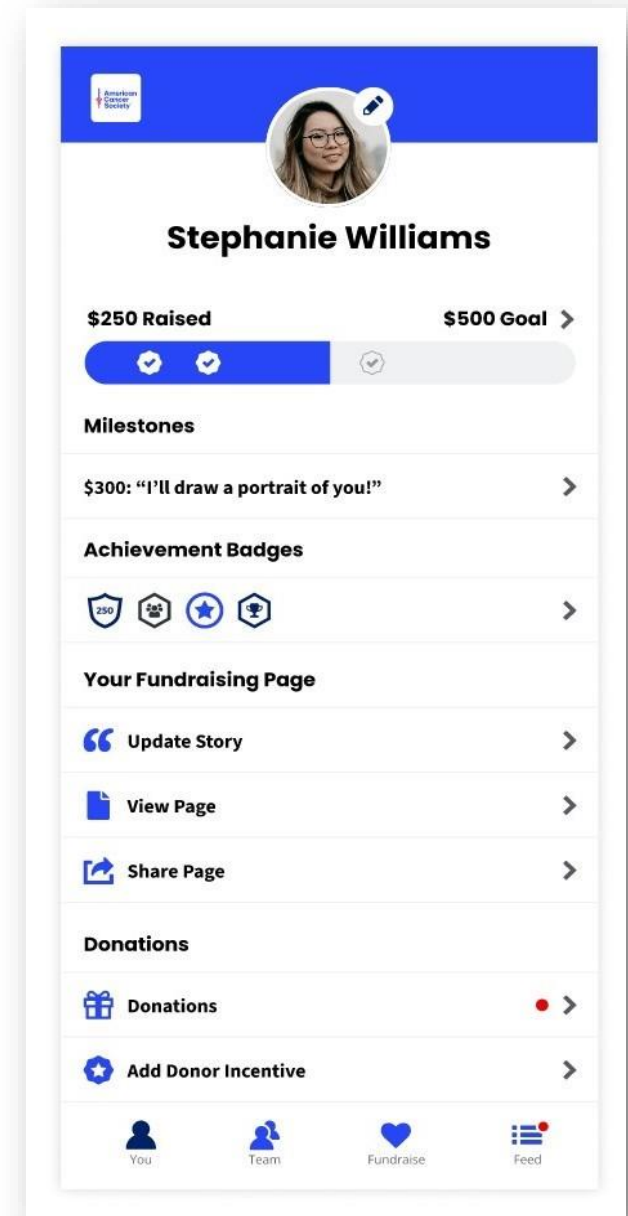

What Fundraisers Can Do in the App
